Hi! My name is Narendra Modi. I am India's Prime Minister. When you sign up for my official App, I give all your data to my friends in American companies.

Ps. Thanks mainstream media, you're doing a great job of burying this critical story, as always.

Data theft allegations reaches PM Modi's doorstep, French ...

A French vigilante hacker has made a stunning revelation accusing Prime Minister Narendra Modi of having compromised the personal data of millions of Indians, who had downloaded h...
